GENERAL INFORMATION

Computer Graphics Forum, (Print ISSN: 0167-7055; Online ISSN: 1467-8659), is an international journal reporting research, new developments and activities in all areas of computer graphics. Basic research will be covered as well as the use of computer graphics in various application areas. While scientific papers on new developments are the major area of interest, state-of-the-art surveys, algorithms, books to review and reports on current events and activities in computer graphics are also welcome. *Computer Graphics Forum* is the official journal of the Eurographics Association.

Publisher: *Computer Graphics Forum* is published by John Wiley & Sons Ltd.
