

# Supplemental Material to Co-creating Visualizations: A First Evaluation with Social Science Researchers

## 1. Co-creation Survey

As part of the formative evaluation of our co-creation process, we ask you to please fill this questionnaire regarding the process focused on data visualization (the organization, the survey, and the 2 workshops). The more you tell us, the more informative this will be for our work.

### 1.1. Rating the co-creation process

Which workshops have you attended? Please choose all that apply:

- Workshop 1 (<date anonymized>)  
 Workshop 2 (<date anonymized>)

Did anything make it difficult for you or others to attend or take part in the workshops? If yes, what would make it easier? Please write your answer here:

---

Please indicate your immediate response for each of the following statements. Don't think too long about each statement. Please choose the appropriate response for each item:

*S1. The expectations and aims of the co-creation process have been clearly explained to me.*

Strongly disagree [1] [2] [3] [4] [5] Strongly agree
